“As entrepreneurs, we share with you our thoughts and beliefs, our wins and our losses all accumulated over decades. You will learn what makes us succeed, when 9 out of 10 entrepreneurs fail. We will share how we managed to go beyond success and wealth, turning our businesses into international brands, a feat many entrepreneurs dream of, yet few achieve.

More importantly, we share with you what keeps us going when others give up, and why we seek greater challenges. In this book, our second together, we share what gives us the Midas Touch, the ability to turn the things we touch into gold, and how you can have it too.”
